Fits EVER620 Freestand.

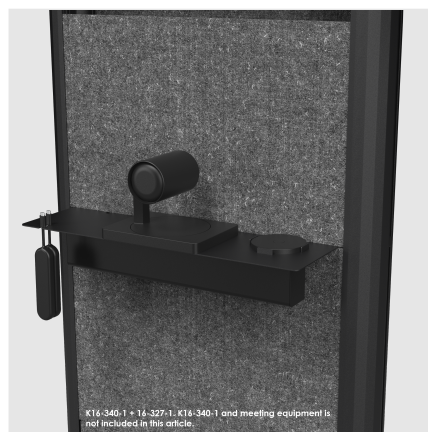

Designed to accommodate a Yealink UVC86, MSpeaker II, 2x WPP30, and VCM36-W, this shelf provides a clean and organized solution for your meeting room.

The MSpeaker II is mounted underneath the shelf, leaving the surface free for the rest of your equipment. The UVC86 can be securely fastened to ensure perfect positioning and alignment with the stand. The VCM36-W has its own dedicated charging spot, keeping everything neatly in place and always ready to use.

It also features three cutouts for smart cable management and is easy to install using the built-in interior shelf bracket inside the stand.
