

EVER Freestand Yealink Touch Control Shelf

For EVER620 Freestand.

Side Shelf for Yealink MTouch E2

Upgrade your meeting room setup with this practical side shelf, designed specifically for Yealink MTouch E2. The shelf is easily mounted on the right side of the stand using the exterior mounting slots in the pillar, ensuring quick and hassle-free installation. A smart cutout in the pillar allows cables from the touch panel to be routed directly into the stand, creating a seamless and clutter-free look. With its discreet design and integrated cable management, this shelf combines functionality with a professional finish, making it the perfect accessory for modern meeting environments.
