

EVER stand 620 Mobile

EVER stand 620 is a well-crafted stand with elegant curves, designed for large format presentations. Perfect for large, heavy displays and touch displays. EVER stand 620 gives you a clean installation and generous storage space.

Use displays up to 98" and 120 kg with a maximum VESA of 900x600 (for larger VESA measures or for dual displays, our Presence display holders can be used).

For larger displays, contact SMS for guidance.

Choose between two color options and three types of covers. If you don't find a version that suits you, contact us with a customization request.

With the extent range of accessories you can fit almost any device you like to the stand.

EVER floorstands represent our commitment to innovation, durability, and timeless elegance. They are the perfect addition to any AV setup and will improve your presentations and impress your audience for years to come.
