

HyperSpace[®]
Bluetooth[®] Mouse

All the functionality you need in a sleek, portable design. The HyperSpace™ Bluetooth® Mouse offers seamless multi-device connectivity, ergonomic comfort, and built-in antimicrobial protection. Whether you're switching between devices or working for extended hours, this mouse keeps up with your workflow effortlessly.

SRP: £29.99/€32.99
SKU: HS2100GL / UPC: 810156700187

Experience precise control and lasting comfort, with dual wireless connectivity and seamless switching between three devices

Seamless Connectivity, Anytime
Effortlessly pair with up to three devices and switch between them using Bluetooth® 5.0, providing uninterrupted productivity while freeing up valuable USB ports. Perfect for those who juggle tasks across multiple devices.

Compact Comfort That Lasts All Day
Work comfortably wherever you are, whether at home, in the office, or on the go. Featuring a contoured mid-size design, providing an ergonomic fit for your hand, making it ideal for hours of productivity across any surface.

Compatible Across Systems
With universal compatibility, seamlessly transition between all major operating systems, including macOS® and Windows®, ensuring a smooth experience no matter which device you use.

Precision Tailored to You
Customize sensitivity for any task, with adjustable DPI settings. Whether you need precision for detailed design work, responsiveness for gaming, or smooth navigation for everyday tasks, the HyperSpace Mouse ensures you have the control you need.

Antimicrobial Protection
DefenseGuard™ Antimicrobial Protection keeps the surface cleaner and works continuously to protect the mouse by preventing microorganism growth.*

Recycled Materials
Make a sustainable choice without sacrificing performance. The HyperSpace™ Mouse is built with 85% recycled plastics, offering an eco-conscious option for your modern workspace.

*Antimicrobial protection is limited to the device itself. This mouse has been infused with an antimicrobial additive. Active ingredient: Silver Phosphate Glass (nano-). EPA Est/ 99234-CA-1
