

Chief Velocity Pedestal Modular Frame **SKU: ODMPF1**

The Chief Velocity Pedestal Modular Frame is a component of the Chief Velocity Pedestal Mount System. This frame is sold individually and includes all the necessary hardware to attach a display (up to a maximum of three frames) to an existing Velocity Pedestal Mount. These standalone frames are designed for quick deployment, providing maximum flexibility in logistics and installation.

Mounting Method: Bottom mounted to the top of the ODMPB1
